SUBJECT-ENGLISH

SECTION A (READING)

1. Read the following passage and answer the questions that follow.

It was a sunny, clear day when two brothers Jim and Ben went out on the boat to catch some fish. They jumped on the boat with fishing rods in their hands. Both the brothers had been out on the boat five minutes before. They had no clue that a huge disaster was about to occur. The brothers were sitting in the boat on the water when huge dark, grey clouds started to form in the sky. Suddenly huge drops of rain started to fall. Lightning lit up the sky, and loud roars of thunder boomed around them. The water started to rock the boat and the brothers kept falling off their feet. The brothers were so scared that they were going to fall into the water! They held on hard to the boat and shut their eyes. The boat kept rocking. The water kept coming. The lightning kept flashing. The thunder kept booming. Then all of a sudden....Nothing. The huge dark, grey clouds left the sky. The huge drops of rain stopped falling. The lightning stopped flashing and the thunder stopped booming. The boys opened their eyes and saw that the storm was over. They were safe!
