TRIBAL EMPOWERMENT: A PATH TO INCLUSIVE GROWTH

7th August is celebrated as National handloom day and it is a perfect occasion for us to honour the tribal artisans and weavers for their artistic and sustainable handcrafted weaves.

Students of class VIII B conducted an interesting special assembly on the occasion of National handloom day based on the theme TRIBAL EMPOWERMENT on 7th August 2023 in AV hall. Assembly started at 9.20 am through show casing different handlooms and ended at 10.00 am by taking a pledge of commitment to use Indian handloom and a quiz to test their learning skills.
