

ST. THOMAS SCHOOL, SAHIBABAD
SPECIAL ASSEMBLY
CLASS - III
THEME – WORLD NATURE CONSERVATION DAY

"The foundation of healthy society is healthy environment."

Students of class III B conducted a Special Assembly on the occasion of 'World Conservation Day'. Students created the awareness about protecting the environment through their informative speech, followed by an interesting skit. The assembly became more special when the students presented a beautiful dance on nature.

The students also recited poems to fight global warming and protect our mother Earth. The objective of the assembly is to inculcate environment friendly habits among the present generation so that they can lead a healthy and green life style, free of diseases.
