Syllabus 2024-25
Class VI
Subject: Social Science

Name of the books: History: Being printed & published by NCERT as per NEP,2020

Civics: Being printed & published by NCERT as per NEP,2020

Geography: Being printed & published by NCERT as per NEP,2020

PREAMBLE: NCERT is introducing new syllabi and textbooks for Grade 6 in all subjects as recommended in NCF-SE, 2023. It is in this context, that a month-long bridge programme has been proposed to provide students with an experience of activity-based, fun-filled learning, free from curriculum load and the burden of non-comprehension. The content in the Middle Stage reflects the engagement with theoretical concepts and the introduction of theories and conceptual frameworks specific to each form of understanding. There is a shift to more abstract ideas and the students are expected to engage with unfamiliar contexts and situations. The Bridge Programme has been designed in such a way, that it will take care of curricular goals and competencies on which the Grade 6 syllabus is based on. Therefore, the bridge month for Grade 6 students will be a month, which will enable them to transit to a new curriculum for holistic learning.

PERIODIC TEST 1: BMP Week-wise Activity Plan

Week	Competencies to be assessed	Activity 1	Activity 2	Activity 3	Activity 4	Activity 5
1	Collects and interprets multiple sources of information (primary and secondary) to understand the historical, cultural, geographical and socio-political aspects of human life	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines
2	Provides examples of the uses of different types of sources to understand history. Classify the different types of activities into economic and non-economic	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines
3	Identifies, collects and interprets different kinds of symbols of political parties. Put forth their	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines

	<p>ideas in the form of drawings, table.</p> <p>Enhance their writing skills.</p> <p>Locate these in their own experiences and depict it in the form of drawings</p>					
4	<p>Explains key natural phenomena such as climate, weather, ocean cycles, soil the formation, the flow of rivers and how they are spatially distributed</p>	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines	Based on BMP guidelines

Note: Assessment (holistic) will be done based on Major Learning Outcomes mapped with the competencies given by NCFSE, via a basket of activities ranging from an exploration of globes, maps and making of charts, models, etc. Skills of identification, classification, creativity and communication through visuals or writing shall also be assessed. An *appropriate Rubrics for Assessment* will be designed to ensure students' progress in learning during this process. All the activities shall be recorded in an **inter-leaf file and assessed for P.T I**
