

ST. THOMAS SCHOOL, SAHIBABAD
HOLIDAYS' HOME WORK 2025-26
CLASS-III

INTERDISCIPLINARY THEME: Imagination Station! Exploring Innovation

GENERAL INSTRUCTIONS:

Dear Students and Parents,

As we step into the holiday season, let's use this time to relax, enjoy with family, and also stay connected to learning in fun and meaningful ways. Below are some general guidelines and instructions for completing the holiday homework:

- ✚ Use notebooks or sheets as instructed.
- ✚ Write neatly and legibly using pencil or pen (as per class level).
- ✚ If using A4 sheet, label all the pages with subject name, your name, class, and date.
- ✚ For written work: underline headings, draw neat margins.
- ✚ For projects or artwork: keep it clean, colorful, and well-organized.
- ✚ Use your own ideas and creativity, especially for drawings, projects, and craft.

This homework is meant to help you revise, reflect, and explore—not to stress you out. Do your best, enjoy the process, and come back refreshed and ready to learn!

Have a safe and happy holiday!

SUBJECT	TOPIC																		
English	<div>1. Imagine you are a tiny raindrop falling from the sky. Describe your journey from the cloud to the river in the form of a poem and write it in your notebook.</div> <div>2. Use A-4 size sheet and make an innovative poster with message like “Don’t waste water”, “close the tap” etc.</div> <div>3. Revise all the work done in class.</div>

Make a picture collage of water sources (rivers, lakes, taps, rain, etc.) using cut-outs of 2D shapes (circle, square, triangle, etc.). Label the shapes used.</div> <div>2. Water-Saving Chart:- Create a simple chart to track your daily water-saving activities (e.g., turning off the tap while brushing teeth). Count how many days you saved water and write it at the bottom of the table.</div> <div>Do the following worksheet in Maths notebook</div> <div>Q1 Look, read and count the letters in the given spellings and answer the following questions:-</div> <table><tr><th>Months of the year</th><th>No. of letters</th><th>Number name</th></tr><tr><td>January</td><td></td><td></td></tr><tr><td>February</td><td></td><td></td></tr><tr><td>May</td><td></td><td></td></tr><tr><td>September</td><td></td><td></td></tr><tr><td>November</td><td></td><td></td></tr></table> <div>i) Which month has the longest name? _____</div> <div>ii) Name the month with 3 letters. _____</div>	Months of the year	No. of letters	Number name	January			February			May			September			November		
Months of the year	No. of letters	Number name																	
January																			
February																			
May																			
September																			
November																			

iii) Which month has the letter count equivalent to the largest 1-digit number? _____

Q2. Write the number names for the given numbers.

a) 215 = _____

b) 307 = _____

Q3. Write the following numbers in expanded form and in words:

a) 458 = _____ + _____ + _____

In words: _____

b) 690 = _____ + _____ + _____

In words: _____

Q4. Write the place value & face value of the underlined digits.

Number	Place value	Face value
3 <u>9</u> 5		
<u>6</u> 54		

Q5. Fill in the blanks to complete the pattern:

a) 210, 220, 230, _____, _____, 260, _____, 280

b) 262, 265, 268, _____, 274, _____, 280, _____, 286

Q6. Write the successor and the predecessor of the following numbers:

a) 100 - successor: _____, predecessor: _____

b) 269 - successor: _____, predecessor: _____

Q7. The sum of two numbers is 185. If one of the numbers is 45, find the other.

EVS

Water- Every drop counts!

- Make a '7-Day Water Use Diary' and observe how you and your family use water at home. Observe carefully and **write the correct activities and approximate amounts.** You can ask your parents for help to estimate.
- **Use the following table format and continue filling this table each day. At the end of Day 7, write your 5-6 sentence note about what you learned in your notebook:**

<u>Day</u>	<u>Activity</u>	<u>Amount of Water Used (cups/buckets/bottles)</u>
Day 1	Drinking	6 glasses

- You may include water usage activities such as- Drinking water, bathing, brushing teeth, washing hands and face, etc.
- You can include things like:
 - How your family uses water?
 - Which activity uses the most water?
 - Ways to save water at home.
- Make your work innovative and creative!

Computer

1. Draw a picture using MS Paint, write title according to the given topic and take a colour print out and paste in your Computer Note Book.

Topic: Save water

Instructions for taking print out:

- Click 'File' in the top left corner of the MS Paint window
- Select 'Print' from the dropdown menu.
- Adjust the print settings if needed

	<ul style="list-style-type: none"> Click the 'Print' button in the print dialog box. <p>2. Draw any five desktop icons on an A4 sheet and paste in your Computer Note Book.</p>
G.K	Write a paragraph on my Dream Village & Write 10 steps to transform villages in India into dream villages <u>on an A4 sheet.</u>
Value Education	Make a wall hanger with words of kindness and gratitude using, colourful papers, thread and waste materials.
Art and Craft	<p>Make 3D picture on card board using waste materials like earbuds, pistachio shells, groundnut shells, tissue paper, pulses etc.</p> 
Music	<p>1. Write the School Anthem and National Anthem given in the School Almanac in your music note book.</p> <p>2. Learn songs from your music note book.</p> <p>3. Paste any five pictures of Indian classical singers in your Music notebook.</p>
