

ST.THOMAS SCHOOL, SAHIBABAD
SUBJECT –COMPUTER (Worksheet- 5)
CH- 3 MORE ABOUT TUX PAINT
CLASS – IV
(ANSWER KEY)

Answer the following :

Q.-1 What is a Storyboard?

Storyboard is a series of pictures that provide a visual layout of events in a story.

Q.-2 Write the difference between Rosette Effect and Ripples Effect.

ROSETTE EFFECT: This magic tool is used to draw a pattern in the shape of a Rose.

RIPPLES EFFECT: Applying this magic tool makes an object look wavy in circular pattern.

Q.-3 How will you delete a drawing?

- 1) Select the open tool.
- 2) Choose the drawing you want to delete.
- 3) Click on the Erase button.
- 4) Select the YES to delete the drawing.

Q.-4 Write the steps to come out from the Tux Paint.

1. Click on the Quit Tool, The TUX Paint will prompt the message “Do you really want to quit? “
2. If you select ‘Yes, I’m done!’ and you have not saved the drawing, Tux Paint will ask you whether you wish to save it. If it is not a new image, you will then be asked whether you want to replace the older one or create a new file.
