

ST.THOMAS SCHOOL, SAHIBABAD
SUBJECT –COMPUTER (Worksheet- 5)
CH- 3 MORE ABOUT TUX PAINT
CLASS – IV

STORYBOARD: Storyboard is a series of pictures that provide a visual layout of events in a story.

DELETING A DRAWING :

1. Select the open tool.
2. Choose the drawing you want to delete.
3. Click on the Erase button.
4. Select the YES to delete the drawing.

QUIT TOOL : Quit tool helps you to come out from the Tux paint.

1. Click on the Quit Tool , The TUX Paint will prompt the message “ Do you really want to quit ? “
2. If you select ‘ Yes , I’m done!’ and you have not saved the drawing , Tux Paint will ask you whether you wish to save it. If it is not a new image , you will then be asked whether you want to replace the older one or create a new file.

ROSETTE EFFECT: This magic tool is used to draw a pattern in the shape of a rose.

RIPPLES EFFECT: Applying this magic tool makes an object look wavy in circular pattern.

Answer the following :

Q.-1 What is a Storyboard?

Q.-2 Write the difference between Rosette Effect and Ripples Effect.

Q.-3 How will you delete a drawing?

Q.-4 Write the steps to come out from the Tux Paint.
